

ASIA CORNERSTONE ASSET MANAGEMENT TO LAUNCH NEW AGRO PRIVATE EQUITY FUND

MALAYSIA'S HOME GROWN BUSINESS TAKES OVER HK ASSET MANAGEMENT COMPANY

KUALA LUMPUR – MALAYSIA (11 DECEMBER 2015) Director Dato' Sri Marcus Liew and his partner Dato' Sri Michael Xavier has successfully acquired a Hong Kong based asset management company, ZB Global Capital, now renamed as Asia Cornerstone Asset Management (ACAM) in November 2015. The acquisition was in view of the high investment potentials and future values that both Dato' Sri Marcus and Dato' Sri Michael sees in the Asia Pacific, especially ASEAN investment environment.

ACAM is a successful asset management company, founded and managed by a group of investment bankers and financial market professionals with over 20 years of industry experience, collectively. ACAM is a fully licensed and regulated entity by the Securities and Futures Commission Hong Kong.

“We want to move forward with our partners and clients in this rewarding investment journey that will also help the business in the industry to thrive in a competitive landscape. Supported by our extensive network and associations across the Asia Pacific Investment hubs, combined with our pool of investment expertise; I believe we have the capability to navigate and pursue this global niche of opportunity, and we strongly believe that there are plenty of undervalued assets now in today's climate.” said Dato' Sri Marcus Liew.

ACAM plans to launch a new fund by the name of *Agro Private Equity Fund* to investors by January 2016. Agro Private Equity Fund is strategized to achieve capital and equity appreciation by investing in pre IPO (Initial Public Offering), company/entity mergers in the business in the Asia Pacific specifically in the ASEAN region.
