AGRO CAPITAL MANAGEMENT LAUNCHES A RECIPE BOOK IN PARTNERSHIP WITH CHEF WAN

KUALA LUMPUR – 18 JANUARY 2017

Agro Capital Management Berhad (“ACMB” or “the Company”), the premier home-grown aquaculture company that operates a broad range of aquaculture farm across Malaysia, today hosted a recipe book launching event at Ruyi & Lyn Restaurant, Bangsar Shopping Centre. The launching event was graced by a well-known celebrity who specialized in creating delicious recipes – Datuk Chef Wan.

The recipe book (**ACM Chef Wan Special Recipe**) was a special collaboration between ACMB and Datuk Chef Wan. Datuk Chef Wan designed an array of simple and delicious recipes including Siakap Asam Pedas, Jade Perch in Thai Red Curry, Popano Fried in Sambal and 5 other recipes by using the freshly harvested seafood which are breed and grown by ACMB.

ACMB currently owns 500 acres of farm to develop the company's aquaculture projects and targets to expand the farm size to 1000 acres. The company is also expected to invest approximately RM20 million towards the development of farms alone. Currently, 50-acres of farm land have been developed for its marine shrimp farming project, in which ACMB expects to receive rapid expansions and growth following the launch of its flagship frozen seafood brand, **Botak Kelong**, which will be made available to the retail market via supermarket chains and two (2) restaurants that ACMB will be opening in the Klang Valley in the near future.

Botak Kelong is a premium retail freshly harvested seafood brand which is hormones free, antibiotic free and probiotics are used to ensure the healthy growth of brands. It is MESTI certified and recognized as Super PLC Award by ASIA SUCCESS AWARD 2016 – The Best ACM Aquaculture Industry Award.

The launch was officiated by the Company's Executive Chairman of ACM, Ybhg. Dato' Haji Mohd Nasir bin Baba, Executive Director of ACM, Dato' Sri Michael Marcus Liew, and Executive Director of ACM, Dato' Sri Michael Xavier and accompanied by our guest of honor, Datuk Chef Wan. At the meantime, the guests were served with 2 of Datuk Chef Wan favorite dishes from the Recipe Book which is the Sweet & Sour Grouper in Lychee and Prawn Nyonya Curry with Pineapple.

YH Dato Hajah Khalijah Binti Abdul Malek, Deputy CEO of Pahang State Development Corporation is also attending.

About Agro Capital Management Berhad

ACMB is principally engaged in aquaculture development in Malaysia. Its core business is in the trading, exporting and production of aquaculture related products. ACMB has also been appointed as the management partner of several joint venture projects with the Ministry of Agriculture (MOA) in Malaysia to operate existing aquaculture infrastructure projects in Malaysia.

ACMB intends to expand into a fully integrated aquaculture company by having its own research and development, hatcheries, aquaculture feeds, grow-out operations, processing plant operations and seafood sales and marketing. This would also help to maximise the economies of scale and strategically position the company to capitalise and to maximise profits.
