

## **SUNVIEW COLLABORATES WITH VISION AMBASSADORS TO EXPLORE RENEWABLE ENERGY OPPORTUNITIES**

Aims to expand its geographical footprint beyond the local market

---

**Petaling Jaya, 2 January 2024 – Sunview Group Berhad** (“Sunview” or the “Group”), a prominent renewable energy player principally involved in the engineering, procurement, construction and commissioning (“EPC”) and related activities, announced that its wholly-owned subsidiary, Fabulous Sunview Sdn Bhd has entered into a Memorandum of Understanding (“MOU”) with Vision Ambassadors Company For International Trade Consultancy, LCC (“Vision Ambassadors”) which is based in Saudi Arabia.

The MOU signing was witnessed by Dato' Sohaimi bin Shahadan, President, ASEAN Chamber of Commerce & Industry.

Under the MOU, both parties will focus on seeking development and investment opportunities in relation to renewable energy and/or green energy. The collaboration will jointly identify locations of potential projects, with both parties serving as the principal investors. Sunview will exclusively be in charge of the EPC related tasks for the potential project.

Sunview Group Berhad executive director & chief executive officer HP Ong said, “We are thrilled to collaborate with Vision Ambassadors. We will not only explore for opportunities within Malaysia but also across other regions, including Saudi Arabia, Middle East, Africa as well as Southeast Asia. This endeavour aims to extend our geographical footprint beyond the Malaysian market.”

“In alignment with the global pursuit of achieving net-zero carbon emissions, renewable energy plays a crucial role in realising this ambitious objective. Given the sustained demand for renewable energy, we are optimistic that this MOU will yield fruitful outcomes in future,” he added.
